

LOINC - SNOMED CT Cooperation Project Technology Preview is available

The Technology Previews of the LOINC - SNOMED CT Cooperation Project (The LOINC Term to SNOMED Expression Reference Set and the LOINC Part to SNOMED Map Reference Set Technology Previews) are now available.

These Technology Preview reference sets represent a proof of concept and are distributed for evaluation purposes only. They are not for use in production clinical systems or in clinical settings. This Technology Preview should be evaluated in the context of the July 2014 SNOMED CT International Edition and June 2014 LOINC release.

All files for the LOINC Term to SNOMED Expression Reference Set and the LOINC Part to SNOMED Map Reference Set Technology Previews are available from the “Technology Preview Packages” area in the “SNOMED CT International Releases” project on the IHTSDO Workspace. They are distributed in a single zipped archive file:
